

## Class Acts

**SHARING THE HARVEST:** Showing their commitment to tikkun olam and the environment, Grade 1 students at Associated Hebrew Schools' Kamin Education Centre in Thornhill tend to the school's very own vegetable garden, whose produce is given to the Kavanah Garden at the Lebovic JCC in Vaughan. In addition to donating fresh vegetables, students from all grades will also begin collecting food items for donation to Kavanah's upcoming food drive.
